

AN APPEAL FROM THE HEARTS OF ALUMNI : **RESTORING OUR HERITAGE**

Dear Esteemed Alumni,

As members of the APNA ZPHS Welfare Association, we come together with an earnest appeal that comes from the very depths of our hearts. The legacy of ZPH School, Pedanandipadu, which has been a proud beacon of education for over a century (1917-2017), beckons us to unite in its restoration and elevation of flooring. Our school has nurtured countless minds, imparting not just academic knowledge but also the ethical values and life skills that shape future leaders. Today, we seek your support to preserve this cherished institution.

In recent years, the APNA ZPHS Welfare Association has initiated a journey of profound impact, striving to build bridges between alumni, current students, and teachers. Through our initiatives, we aim to foster connections that enhance educational standards while nurturing lifelong relationships within our student community. Our mission is clear: to improve infrastructure, provide mentorship, share knowledge, and offer financial support to ensure each student has the opportunity to thrive.

Our Achievements So Far

During the 2024-2025 period, we have carried out numerous educational and welfare activities that demonstrate our commitment to both the school and its students. Notable achievements include:

1. **Technology Donations:** We humbly donated a HP i5 desktop PC and a Laser Jet Pro MFP printer, facilitating modern educational needs of the school..
2. **Extra Educational Support:** We initiated daily evening extra classes for students from 4.00 – 5.30pm in grades 6-9, ensuring they receive the guidance they need to excel.
3. **Robotics Training:** A significant milestone was signed with Universal Help, USA, and Venkataraya-Sreedhar Foundation, bringing expert robotics courses to our students. Thanks to Sri Sravana Srinivasa Rao and Sri Alla Venkat for their robust efforts, ZPHS became one of only two schools in Andhra Pradesh selected for this initiative.
4. **Infrastructure Developments:** We have actively engaged in landscaping projects, developed new facilities, and received administrative sanctions for major repairs by our Alumni Association costing over Rs. 40 Lakhs.
5. **Community and Environmental Initiatives:** Monthly sweets were provided to 350 students, enhancing their well-being, and 110 plants planted and were adopted by students, empowering them to connect with nature through environmental care.
6. **Health Initiatives:** We organized a free dental and cardiology medical camps, identifying dental and heart issues among participants, a testament to our commitment to health and wellness.

These accomplishments were made possible through the generous contributions of our alumni and supporters. However, as we turn our attention to the future, it is vital that we strengthen this foundation and meet the challenges that are ahead.

Proposed Initiatives for Improvement

The APNA ZPHS Welfare Association is excited to announce a significant initiative aimed at restoring our school's legacy building—a sacred space that

embodies our history and serves as a model for future generations. With proper approvals from the CEO of Zilla Praja Parishad, we are ready to commence essential repairs that will give new life into our school's heritage.

Phase One: Restoration Planning

The first phase will involve the careful removal and reinstallation of roof tiles, followed by necessary repairs to ensure structural integrity. Subsequent phases will address:

1. Restoration of walls and ceilings.
2. Repair and rejuvenation of wooden fixtures encompassing doors and windows.
3. Overhaul of flooring to maintain aesthetic and functional value.

An Urgent Call for Alumni Support

To succeed in these ambitious plans, we earnestly request your involvement. We invite you to contribute in any capacity possible—be it financial support, volunteering your time, providing expert guidance, or facilitating resources. Every contribution, no matter how big or small, holds immense value and will directly impact the realization of our goals.

We have obtained a 10A income tax benefit for the donations received by the APNA ZPHS Welfare Association. Also, we are pleased to announce that upon receiving 80G certification, all donors will be eligible for income tax benefits. This means that your generosity will not only aid in restoring our beloved school but will also resonate positively with your financial commitments.

Join Us in Reviving Our Legacy

Let us remember the profound influence ZPH School has had on our lives—the teachers who guided us, the friendships we forged, and the values instilled within us. Now, it is our turn to give back. Together, we can transform our school into a modern temple of learning while honouring and preserving its rich heritage.

We appeal to each of you to come together as torchbearers of our legacy, united with a shared vision for sustained growth and excellence in education. As alumni, you hold the power to make a transformative difference not only for current students but also for the wider community we are a part of.

In closing, we extend our heartfelt gratitude for your past support and ongoing commitment to our school of 109 years old. Together, let us revive ZPH School for the generations to come—let us create pathways of opportunity, knowledge, and success.

Thank you for your attention, your passion, and your anticipated support.

With Best Regards,

President,
